

The Register is free to join and is for owners of 1959 Minis.

If you currently own a **Mini Manufactured In 1959** We'd like to receive your registration.

At this time the register exists solely for Minis built in 1959.

If you are looking to buy a '59 or want restoration information, we hope to be able to help you in some way – maybe we can unite you with a car, or find the bits you need!

The aim of the Register is to help preserve as many of these unique British Motoring icons as possible. We hope the Register will be an invaluable tool in identifying cars, raise the profile of them, and preserve them for future generations to enjoy.

We have incorporated a database, pooling information on the registered cars, helping us to build a production profile highlighting when changes took place in the manufacturing process.

There are records in parts books giving chassis numbers for these changes, but we know of many cars that contradict the dates and numbers given which makes it very difficult to restore a car to its original state.

All personal information held on the Register will be completely private and absolutely NO SENSITIVE INFORMATION will be divulged to a third party unbr any circumstances. I.E. Chassis numbers, names, addresses etc.

Please send details via our website www.1959miniregister.com or letter post it to:

1959 Mini Register,
Precedent House,
Woodchurch Road,
Upton,
Wirral.
England.
CH49 5PJ
Telephone +44 (0) 1515220040
